

# The Product Hub

**Sell antibodies, proteins, kits and other consumables to thousands of pharmaceutical and biotechnology researchers on demand**

Suppliers of off-the-shelf reagents, consumables and other lab supplies can now market their products to thousands of pharma and biotech researchers on Scientist.com's Product Hub for lab supplies. Through the marketplace, reagent providers will be able to connect with 24 of the world's top 30 pharmaceutical and 70+ biotechnology companies. Our easy-to-use product selection platform uses multiple search filters and categories to enable scientists to quickly identify and order reagents for their drug discovery projects.

## HOW DO REAGENT SUPPLIERS BENEFIT?

- Increase sales to large pharmaceutical and biotech companies
- Enable quick product ordering in parallel with new service projects
- Participate in exclusive marketing activities
- Sell a la carte or custom quote orders on the same platform
- Streamline client payments

## SOURCE TO SHIP PLATFORM

### SUPPLIER CATALOGS

- Now accepting catalogs to list products on marketplaces
- Antibodies, proteins, assays, chemicals, cell culture, etc.
- Punchout catalog support

### MARKETPLACE

- New project expansion with large pharma and biotech client network
- Gain exposure to 25,000+ research users
- Grow your digital presence

### ORDER FULFILLMENT

- Orders directly submitted to supplier
- Supplier drop ship to customer
- Supplier invoices Scientist.com
